

VeriFIX Bolsters Brazil's Market Leading Algorithmic Trading Technology

For Immediate Release: Chicago, XX September 2014 — CameronTec Group, the global standard in financial messaging infrastructure and tools for the Capital Markets industry, today announced **Brazil's leading algorithmic trading technology provider** BLK Sistemas Financeiros has selected the VeriFIX automated testing tools to further optimize trading opportunities for its RoboTrader platform.

BLK Sistemas Financeiros' offers the Capital Markets the most advanced trading platform available to trade the Brazilian market. To retain and build on its market reputation BLK invests significantly in a continuous technology innovation program including Quality Assurance. VeriFIX was selected to fulfill **100 percent BLK's QA testing requirements. Prior** to VeriFIX, BLK was conducting manual QA testing.

Rogério Paiva, Managing Director at BLK Sistemas Financeiros **says** "the adoption of the VeriFIX automated testing tools has enabled us to significantly decrease the full regression testing timeline and standardize the process to eradicate error potential common with manual processing. Shorter test cycles have resulted in faster release turnaround times and also provided greater efficiencies for our QA team, allowing them to expand focus to additional core areas."

Peter Mott, VP Americas for CameronTec Group, says "CameronTec is pleased the uptake of our valuable trading technology and tools continues to expand in the LATAM market. Our accomplishments with BLK Sistemas Financeiros is another example of how VeriFIX can raise the quality of service for market participants."

CameronTec's solutions are tested and trusted by the world's best firms in over 50 countries, on all five continents, representing the broadest cross section of tier 1 and 2 investment banks, brokers, fund managers, exchanges, regulators, and members of the ISV community. CameronTec Group Professional Services offers onsite support at the client site or from its offices in Chicago, New York, London, Stockholm, Hong Kong, Mumbai, Sydney, Paris and Frankfurt.

Each year CameronTec Group is pleased to sponsor and exhibit at **LATAM's largest trading** event, the **FIX Trading Community's** Latin America Trading Conference in Sao Paulo.
